

WALTHER

MODEL P38

Pacesetter for modern large-frame sporting pistols. First with reliable double-action and positive safety features. Often copied but never equalled in performance or styling. Offered with rugged, non-reflective black matt finish to provide extended service and durability under all field and climatic conditions. Walther P 38's are individually boxed and complete with cleaning rod, extra magazine, instruction booklet and factory test target. See your dealer. Also available in high gloss, polished blue finish . . . Caliber 9mm Parabellum . . . and Caliber .22 LR matt black finish.
